

# THE POWER TO DO

It is the power to do, that counts. The power and the ability to forge onward, no matter what obstacles must be overcome.

Behind all of the greater business successes of the world, the power to do, the power to act, is supplied by credit.

Credit, maintained upon a business basis by each member of this community, can wield, in proportion, an equal power for each one, enabling him to take advantage of opportunity for financial betterment as it presents itself.

Let us keep our credit good by paying our bills promptly.

Our interest in the welfare of this community prompts us to sponsor this message to the people of Torrance and vicinity.
